## Designation Based Puzzles

### Level-1

**Q1 Study the following information carefully and answer the questions accordingly.**

Eight Persons- A, B, C, D, E, F, G and H are working in a department in different designation viz-Chairman, CFO, GM, DGM, AGM, Manager, Junior Manager and Clerk. All the designations given are to be considered in a given order (as Chairman is considered as Senior-most and Clerk is considered as the Junior-most).

Only two person are designated between G and H who is junior to D. The number of persons junior to A is same as the number of persons senior to C. Only One person is designated between B and C who is a junior manager. G is not adjacent to A. E is not junior to G.

Four of the following five are alike in a certain way and hence they form a group. Which one of the following does not belong to that group?

- (A) D,H (B) A,E  
(C) G,B (D) F,G  
(E) G,E

**Q2 Study the following information carefully and answer the questions accordingly.**

Eight Persons- A, B, C, D, E, F, G and H are working in a department in different designation viz-Chairman, CFO, GM, DGM, AGM, Manager, Junior Manager and Clerk. All the designations given are to be considered in a given order (as Chairman is considered as Senior-most and Clerk

is considered as the Junior-most).

Only two person are designated between G and H who is junior to D. The number of persons junior to A is same as the number of persons senior to C. Only One person is designated between B and C who is a junior manager. G is not adjacent to A. E is not junior to G.

How many designation gaps are between E and C?

- (A) 2 (B) 3  
(C) 5 (D) 4  
(E) None of these

**Q3 Study the following information carefully and answer the questions accordingly.**

Eight Persons- A, B, C, D, E, F, G and H are working in a department in different designation viz-Chairman, CFO, GM, DGM, AGM, Manager, Junior Manager and Clerk. All the designations given are to be considered in a given order (as Chairman is considered as Senior-most and Clerk is considered as the Junior-most).

Only two person are designated between G and H who is junior to D. The number of persons junior to A is same as the number of persons senior to C. Only One person is designated between B and C who is a junior manager. G is not adjacent to A. E is not junior to G.

How many persons are senior to F?

- (A) 6 (B) 5

- (C) 7 (D) 4  
(E) None of these

**Q4 Study the following information carefully and answer the questions accordingly.**

Eight Persons- A, B, C, D, E, F, G and H are working in a department in different designation viz-Chairman, CFO, GM, DGM, AGM, Manager, Junior Manager and Clerk. All the designations given are to be considered in a given order (as Chairman is considered as Senior-most and Clerk is considered as the Junior-most).

Only two person are designated between G and H who is junior to D. The number of persons junior to A is same as the number of persons senior to C. Only One person is designated between B and C who is a junior manager. G is not adjacent to A. E is not junior to G.

Who among the following is Manager ?

- (A) A (B) D  
(C) F (D) B  
(E) G

**Q5 Read the information given below carefully and answer the following question.**

In an organisation, nine people i.e. A, B, C, D, E, F, G, H, and I are working in different departments viz. Marketing, Finance and HR. At least two people are working in these departments but not more than four people can work in one departments. Only A is working with E in the same department. H and B are working in different departments but not in HR department. G is working in the marketing department. I is neither working in the marketing department nor in the HR department. D is not working with I but working with B. C is working in finance

department. C and E are working in different departments. Only three persons are working in marketing department.

Four of the following five are alike in a certain way and thus forms a group, find the one which doesn't belong to that group.

- (A) B and G (B) A and E  
(C) G and A (D) H and I  
(E) F and C

**Q6 Read the information given below carefully and answer the following question.**

In an organisation, nine people i.e. A, B, C, D, E, F, G, H, and I are working in different departments viz. Marketing, Finance and HR. At least two people are working in these departments but not more than four people can work in one departments. Only A is working with E in the same department. H and B are working in different departments but not in HR department. G is working in the marketing department. I is neither working in the marketing department nor in the HR department. D is not working with I but working with B. C is working in finance department. C and E are working in different departments. Only three persons are working in marketing department.

How many persons are working in Finance department?

- (A) 2 (B) 3  
(C) 4 (D) Either 3 or 4  
(E) None of these

**Q7 Read the information given below carefully and answer the following question.**

In an organisation, nine people i.e. A, B, C, D, E, F, G, H, and I are working in different departments viz. Marketing, Finance and HR. At least two people are working in these departments but not more than four people can work in one departments. Only A is working with E in the same department. H and B are working in different departments but not in HR department. G is working in the marketing department. I is neither working in the marketing department nor in the HR department. D is not working with I but working with B. C is working in finance department. C and E are working in different departments. Only three persons are working in marketing department.

Which among the following statement is true regarding B?

- (A) B is working with C
- (B) B is not working in the marketing department
- (C) B is working with F
- (D) B is not working in the Finance department
- (E) None of these

**Q8 Read the information given below carefully and answer the following question.**

In an organisation, nine people i.e. A, B, C, D, E, F, G, H, and I are working in different departments viz. Marketing, Finance and HR. At least two people are working in these departments but not more than four people can work in one departments. Only A is working with E in the same department. H and B are working in different departments but not in HR department. G is working in the marketing department. I is neither working in the marketing department nor in the HR department. D is not working with I but working with B. C is working in finance

department. C and E are working in different departments. Only three persons are working in marketing department.

Who among the following is working in marketing department?

- (A) A
- (B) H
- (C) I
- (D) D
- (E) None of these

**Q9 Read the information given below carefully and answer the following question.**

In an organisation, nine people i.e. A, B, C, D, E, F, G, H, and I are working in different departments viz. Marketing, Finance and HR. At least two people are working in these departments but not more than four people can work in one departments. Only A is working with E in the same department. H and B are working in different departments but not in HR department. G is working in the marketing department. I is neither working in the marketing department nor in the HR department. D is not working with I but working with B. C is working in finance department. C and E are working in different departments. Only three persons are working in marketing department

Who among the following is working together?

- (A) A and D
- (B) H and C
- (C) I and E
- (D) D and C
- (E) None of these

**Q10 Directions: Read the information given below carefully and answer the following question.**

There are nine persons P, Q, R, S, T, U, V, W and X working in a Bank at different Designations viz. Zonal Head, Regional Head, Cluster Head, Branch

Manager, Branch Operations Manager, Teller Authorizer, Teller, Cashier, Welcome Desk. Consider Zonal Head as the highest position and Welcome desk as the lowest position.

The number of persons senior to V is equal to persons junior to it. Q is working at the lowest position in the bank. R is immediately senior to V. Only two persons are having designations between R and U. P is neither Teller Authorizer nor Cashier. X is designated immediately next to U. Four persons are designated between X and S. X is senior to S. T is designated at higher position to W.

Find the odd out from the following given options?

- (A) U, P (B) W, V  
(C) R, T (D) S, Q  
(E) X, R

**Q11 Directions:**Read the information given below carefully and answer the following question.

There are nine persons P, Q, R, S, T, U, V, W and X working in a Bank at different Designations viz. Zonal Head, Regional Head, Cluster Head, Branch Manager, Branch Operations Manager, Teller Authorizer, Teller, Cashier, Welcome Desk. Consider Zonal Head as the highest position and Welcome desk as the lowest position.

The number of persons senior to V is equal to persons junior to it. Q is working at the lowest position in the bank. R is immediately senior to V. Only two persons are having designations between R and U. P is neither Teller Authorizer nor Cashier. X is designated immediately next to U. Four persons are designated between X and S. X is senior to S. T is designated at higher position to W.

How many people are working at higher positions to T?

- (A) 7 (B) 4  
(C) 6 (D) 5  
(E) None of these

**Q12 Directions:**Read the information given below carefully and answer the following question.

There are nine persons P, Q, R, S, T, U, V, W and X working in a Bank at different Designations viz. Zonal Head, Regional Head, Cluster Head, Branch Manager, Branch Operations Manager, Teller Authorizer, Teller, Cashier, Welcome Desk. Consider Zonal Head as the highest position and Welcome desk as the lowest position.

The number of persons senior to V is equal to persons junior to it. Q is working at the lowest position in the bank. R is immediately senior to V. Only two persons are having designations between R and U. P is neither Teller Authorizer nor Cashier. X is designated immediately next to U. Four persons are designated between X and S. X is senior to S. T is designated at higher position to W.

How many people are working at lower positions to P?

- (A) 7 (B) 4  
(C) 6 (D) 5  
(E) None of these

**Q13 Directions:**Read the information given below carefully and answer the following question.

There are nine persons P, Q, R, S, T, U, V, W and X working in a Bank at different Designations viz. Zonal Head, Regional Head, Cluster Head, Branch Manager, Branch Operations Manager, Teller

Authorizer, Teller, Cashier, Welcome Desk. Consider Zonal Head as the highest position and Welcome desk as the lowest position.

The number of persons senior to V is equal to persons junior to it. Q is working at the lowest position in the bank. R is immediately senior to V. Only two persons are having designations between R and U. P is neither Teller Authorizer nor Cashier. X is designated immediately next to U. Four persons are designated between X and S. X is senior to S. T is designated at higher position to W.

Who among the following is working as Teller Authorizer in the bank?

- (A) P
- (B) Q
- (C) T
- (D) X
- (E) None of these

**Q14** Directions: Read the information given below carefully and answer the following question.

There are nine persons P, Q, R, S, T, U, V, W and X working in a Bank at different Designations viz. Zonal Head, Regional Head, Cluster Head, Branch Manager, Branch Operations Manager, Teller Authorizer, Teller, Cashier, Welcome Desk. Consider Zonal Head as the highest position and Welcome desk as the lowest position.

The number of persons senior to V is equal to persons junior to it. Q is working at the lowest position in the bank. R is immediately senior to V. Only two persons are having designations between R and U. P is neither Teller Authorizer nor Cashier. X is designated immediately next to U. Four persons are designated between X and S. X is senior to S. T is designated at higher position to W.

Who among the following is working at the senior most position in the bank?

- (A) S
- (B) U
- (C) T
- (D) X
- (E) None of these

## Hints & Solutions

### Q1 Text Solution:

From:- Only One person is designated between B and C who is a junior manager.

The number of persons junior to A is same as the number of persons senior to C.

| Designation    | Person |
|----------------|--------|
| Chairman       |        |
| CFO            | A      |
| GM             |        |
| DGM            |        |
| AGM            | B      |
| Manager        |        |
| Junior Manager | C      |
| Clerk          |        |

From:- Only two person are designated between G and H who is junior to D. G is not adjacent to A and E is not junior to G.

| Designation    | Person |
|----------------|--------|
| Chairman       | D      |
| CFO            | A      |
| GM             | H      |
| DGM            | E      |
| AGM            | B      |
| Manager        | G      |
| Junior Manager | C      |
| Clerk          | F      |

Here is the final arrangement.

### Q2 Text Solution:

From:- Only One person is designated between B and C who is a junior manager.

The number of persons junior to A is same as the number of persons senior to C.

| Designation | Person |
|-------------|--------|
| Chairman    |        |

|                |   |
|----------------|---|
| CFO            | A |
| GM             |   |
| DGM            |   |
| AGM            | B |
| Manager        |   |
| Junior Manager | C |
| Clerk          |   |

From:- Only two person are designated between G and H who is junior to D. G is not adjacent to A and E is not junior to G.

| Designation    | Person |
|----------------|--------|
| Chairman       | D      |
| CFO            | A      |
| GM             | H      |
| DGM            | E      |
| AGM            | B      |
| Manager        | G      |
| Junior Manager | C      |
| Clerk          | F      |

Here is the final arrangement.

### Q3 Text Solution:

From:- Only One person is designated between B and C who is a junior manager.

The number of persons junior to A is same as the number of persons senior to C.

| Designation    | Person |
|----------------|--------|
| Chairman       |        |
| CFO            | A      |
| GM             |        |
| DGM            |        |
| AGM            | B      |
| Manager        |        |
| Junior Manager | C      |

|       |  |
|-------|--|
| Clerk |  |
|-------|--|

From:- Only two person are designated between G and H who is junior to D. G is not adjacent to A and E is not junior to G.

| Designation    | Person |
|----------------|--------|
| Chairman       | D      |
| CFO            | A      |
| GM             | H      |
| DGM            | E      |
| AGM            | B      |
| Manager        | G      |
| Junior Manager | C      |
| Clerk          | F      |

Here is the final arrangement.

#### Q4 Text Solution:

From:- Only One person is designated between B and C who is a junior manager.

The number of persons junior to A is same as the number of persons senior to C.

| Designation    | Person |
|----------------|--------|
| Chairman       |        |
| CFO            | A      |
| GM             |        |
| DGM            |        |
| AGM            | B      |
| Manager        |        |
| Junior Manager | C      |
| Clerk          |        |

From:- Only two person are designated between G and H who is junior to D. G is not adjacent to A and E is not junior to G.

| Designation | Person |
|-------------|--------|
| Chairman    | D      |
| CFO         | A      |
| GM          | H      |
| DGM         | E      |

|                |   |
|----------------|---|
| AGM            | B |
| Manager        | G |
| Junior Manager | C |
| Clerk          | F |

Here is the final arrangement.

#### Q5 Text Solution:

- H and B are working in different departments but not in HR department therefore there will be two cases.

| Case-1    |   |
|-----------|---|
| HR        |   |
| FINANCE   | H |
| MARKETING | B |

| Case-2    |   |
|-----------|---|
| HR        |   |
| FINANCE   | B |
| MARKETING | H |

- G is working in the marketing department
- I is neither working in the marketing department nor in the HR department

| Case-1    |     |
|-----------|-----|
| HR        |     |
| FINANCE   | H I |
| MARKETING | B G |

| Case-2    |     |
|-----------|-----|
| HR        |     |
| FINANCE   | B I |
| MARKETING | H G |

- D is not working with I but working with B, therefore, Case-2 will get eliminated.
- C is working in finance department

|           |       |
|-----------|-------|
| HR        |       |
| FINANCE   | H I C |
| MARKETING | B G D |

C and E are working in different departments

- Only three persons are working in marketing department
- Only A is working with E in the same department

|           |   |       |
|-----------|---|-------|
| HR        | E | A     |
| FINANCE   | H | I C F |
| MARKETING | B | G D   |

**Q6 Text Solution:**

- H and B are working in different departments but not in HR department therefore there will be two cases.

| Case-1    |   |
|-----------|---|
| HR        |   |
| FINANCE   | H |
| MARKETING | B |

| Case-2    |   |
|-----------|---|
| HR        |   |
| FINANCE   | B |
| MARKETING | H |

- G is working in the marketing department
- I is neither working in the marketing department nor in the HR department

| Case-1    |     |
|-----------|-----|
| HR        |     |
| FINANCE   | H I |
| MARKETING | B G |

| Case-2    |     |
|-----------|-----|
| HR        |     |
| FINANCE   | B I |
| MARKETING | H G |

- D is not working with I but working with B, therefore, Case-2 will get eliminated.
- C is working in finance department

|           |       |
|-----------|-------|
| HR        |       |
| FINANCE   | H I C |
| MARKETING | B G D |

C and E are working in different departments

- Only three persons are working in marketing department
- Only A is working with E in the same department

|           |   |       |
|-----------|---|-------|
| HR        | E | A     |
| FINANCE   | H | I C F |
| MARKETING | B | G D   |

**Q7 Text Solution:**

- H and B are working in different departments but not in HR department therefore there will be two cases.

| Case-1    |   |
|-----------|---|
| HR        |   |
| FINANCE   | H |
| MARKETING | B |

| Case-2    |   |
|-----------|---|
| HR        |   |
| FINANCE   | B |
| MARKETING | H |

- G is working in the marketing department
- I is neither working in the marketing department nor in the HR department

| Case-1    |     |
|-----------|-----|
| HR        |     |
| FINANCE   | H I |
| MARKETING | B G |

| Case-2    |     |
|-----------|-----|
| HR        |     |
| FINANCE   | B I |
| MARKETING | H G |

- D is not working with I but working with B, therefore, Case-2 will get eliminated.
- C is working in finance department

|           |       |
|-----------|-------|
| HR        |       |
| FINANCE   | H I C |
| MARKETING | B G D |

C and E are working in different departments

- Only three persons are working in marketing department
- Only A is working with E in the same department

|           |         |
|-----------|---------|
| HR        | E A     |
| FINANCE   | H I C F |
| MARKETING | B G D   |

#### Q8 Text Solution:

- H and B are working in different departments but not in HR department therefore there will be two cases.

|               |   |
|---------------|---|
| <b>Case-1</b> |   |
| HR            |   |
| FINANCE       | H |
